Our mission at Cornerstone Preschool is to make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly. We will do this in the preschool by connecting with your children and building relationships using Jesus Christ as our example and his Word as our guide; growing your children physically, socially, emotionally, intellectually, and spiritually while looking to our Lord and Savior, Jesus Christ for guidance; and serving alongside you as we create an atmosphere that shows and teaches children what it means to be a follower of Jesus Christ and proclaims Jesus Christ as our Cornerstone. The name “Cornerstone Preschool” comes from Isaiah 28:16 – “So this is what the Sovereign Lord says. “See, I lay a stone in Zion, a tested stone, a precious cornerstone for a sure foundation; the one who relies on it will never be stricken with panic.”

Cornerstone staff will be committed to a personal, growing relationship with Jesus Christ so that they can teach and model for children what it means to be a follower of our Lord and Savior. The Beginner's Bible will be used to teach the children about the OT heroes, as well as the stories of Jesus and the disciples in the NT. When children leave Cornerstone, our goal is that the children know they are loved by Jesus, as well as the staff of Cornerstone and the congregations of Grace Church of Concord and River Rock at Odell.

Instruction at Cornerstone Preschool will include a focus on phonemic awareness, early literacy skills, early math skills, and social skills. Teaching will be developmentally appropriate and include both direct instruction and play-based instruction. We will use Letterland as our basis for teaching phonemic awareness, and Touch Math will be used for teaching number recognition and number sense. A variety of resources will be used to help each child learn and grow at his/her own pace, and a variety of teaching techniques and styles will be used to meet the needs of each child. Our goal is that children will have so much fun while in our care that they will LOVE coming to preschool each day. At the same time, we will pour into them the love of Christ and skills that will help them be confident when they start their next journey in Kindergarten.
