

Grace Church of Concord - A Global Methodist Community in partnership with River Rock at Odell (6320 Davidson Hwy, Concord) is committed to providing safe, quality care to each of the children who attend Cornerstone Preschool. Our partnership is one that has been brought together by God. We will honor Him in all that we do, and we will hold each other accountable to following God's plan and vision for Cornerstone Preschool. Truly, it is a blessing that River Rock at Odell has opened their doors and said, "Come! You are welcome!" The leaders and congregation of both churches have also committed to praying for Cornerstone Preschool and being active in supporting its ministry.
